

IAC Status and Recognition Statement

Version: v1.0

Effective date: 2026-02-20

Owner: Compliance

Contact: compliance@accreditationcenter.org

Statement

IAC is an accreditation body. We accredit conformity assessment bodies within defined scopes through impartial evaluation and public verification.

Verification

The Directory is the official public record for accreditation status and scope.

Permitted claims

- "IAC accredits conformity assessment bodies within defined scopes."
- "Accreditation status is publicly verifiable in the IAC Directory."

Prohibited claims

- Claims of certification of end organizations or products.
- Claims of recognition without formal evidence.
